Ground Broken For Bryant Sugar House

Saturday, April 8, is a date to remember in the history of the Everglades and Western Palm Beach County. It was on that date that ground was broken for the new \$12,000,000 Bryant Sugar House for the United States Sugar Corp., one-half mile east of Canal Point. Appropriate ceremonies were held, indelibly marking the occasion in the annals of Florida History.

On a platform, erected especially for the occasion, were assembled officers, general counsel, directors, vice presidents and assistant officers of the United States Sugar Corporation who will guide and direct the building and operation of the huge mill. With a capacity of more than 5,000 tons daily the mill will be put into operation on November 1, 1962.

Erecting the mill for the Corporation is the Farrel Birmingham Company, Inc., Ansonia, Conn., and associated with them is Abarcia, Inc., of San Juan, P. R. Work started Monday morning of this week following ground breaking on Saturday.

Presiding over the afternoon's ceremony was Everglades News Owner-Publisher Paul Rardin, veteran Palm Beach County commissioner, who has been a resident of Canal Point for more than a quarter of a century. He introduced Harry T. Vaughn, president of the Corporation, who spoke on "Sugar Progress in the Glades." City and county officials were recognized and introduced to the big crowd present for the historical occasion.

Guest speaker for the program was State Comptroller Ray E. Green, who was the personal representative of Gov. Farris Bryant, who couldn't come because of the press of legislative business. He predicted that the present slump in the business would completely recede by the latter part of 1961. Mr. Green was lavish in his praise for the manner in which the Sugar Corp., is going ahead with sugar development in this area.

Mr. Vaughn said the new factory would contain the most modern equipment and operate at top efficiency. He pointed out the factory will be built on the site of another built there years ago by F. E. Bryant.

"It is fitting that the new plant should be named the Bryant Sugar House," Vaughn declared. The president also showed pleasure that Bryant's daughters, Mrs. Elizabeth B. Duff and Mrs. Catherine B. Beach, of Palm Beach, were present for the occasion and participated in the ground-breaking ceremony.

Franklin Farrell, 3rd, of the contracting company and Felipe F. Vidal of the associate concern, Abarcia, Inc., presented a silver shovel to Mr. Vaughn as head of the corporation for the actual turning of dirt. Mrs. Beach and Mrs. Duff turned the first shovel of muck. Mrs. Vaughn turned a shovelful. Comptroller Green took his turn with the shovel and in order to

have an actual part in the historical ground breaking, Commissioner Rardin took a hefty swing with a shovelful of muck and scattered it well with the help of the driving wind that continued throughout the ceremony.

The invocation was given by Dr. E. A. Bowers of Pahokee and the benediction was by Father Francis X. Fenech of St. Phillips in Belle Glade and St. Marys in Pahokee. Following actual ground breaking a prayer of dedication was given by Rev. Robert A. Shelley, pastor of the Canal Point Methodist Church.

Another Land Deal 3,350 Acres Sold

The land selling boom in the Everglades section of Palm Beach County continues. This week we record the sale of 3,350 acres of unimproved muck, located seven miles south of South Bay on US27. Thurmond W. Knight, acreage realtor, with offices located in Riviera Beach, said that the land was sold to Schlechter and Sons Inc., by Mr. and Mrs. J. Stewart Matthews of Ohio.

Announced sale price for the unimproved land was \$100 an acre or a total of \$335,000.00. Mr. Knight said Mr. Schlechter will develop the land and put it in vegetables. The property fronts one mile on US27.

Local PTA Hears Of Teachers' Duties

The Canal Point PTA met at the School Cafeteria Monday night, with Mrs. Joe Cherry, president, presiding. Following the Flag ceremony, Mrs. Charles D. Stewart's third grade students sang a prayer in Spanish.

A. R. Harrington, program chairman, introduced the speaker, Mrs. Clara Capron, Supervisor of Classroom instruction. She talked on the new things being done in Palm Beach County Schools and as examples she introduced the following instructors: Mrs. Charles D. Stewart, third grade teacher in the Canal Point Elementary School and her students. Mrs. Stewart teaches Spanish for ten minutes each day and presented a program of songs and conversational Spanish by her pupils.

Second on Mrs. Capron's program was R. G. Whiteside, a member of the Pahokee High School Faculty, who talked on the old and new methods of teaching physics in the classroom. Third, Vance Denton, Guidance Director in the Pahokee High School, gave a brief discussion of his work in this new field.

Fourth Speaker was Mrs. Margaret Mosley, Elementary Glades (continued on page 8)

Dedicate New Post Office In Pahokee

Pahokee's new post office was dedicated on Sunday afternoon with a good sized crowd in attendance and with the High School band furnishing the music for the occasion. Dick Farris was the chairman for the dedication and read several letters of congratulations from VIP's throughout Florida and America.

C. M. Cade of Miami, field service officer for the postal department, was the guest speaker. His speech was interesting as he told of plans for expansion and better service to be furnished by the postal department. He presented the office with a new American flag. Boy Scouts and Girl Scouts participated in the flag raising ceremony.

Postmaster Edward A. Jensen introduced as guests of honor Pahokee city officials and visiting postmasters from neighboring cities.

The invocation was given by the Rev. T. C. O'Steen, pastor of the First Methodist Church, and the benediction, by the Rev. Charles Causwell, pastor of the Church of the Nazarene.

Members of the Business and Professional Women's Club served on the dedication committee and were hostesses during the serving of refreshments at the open house following the ceremony.

Whiskey Hours Are Okehed In Pahokee

Whiskey selling hours in Pahokee were lengthened at a council meeting on Monday night and whiskey houses may open at 6:30 in the morning and sell until three o'clock the next morning during weekdays. However, the council banned selling hours on Sunday and the places will have to close at midnight on Saturday.

Pahokee dealers had complained that South Eye dealers had violated a pact signed by the two communities and Belle Glade nine years ago.

South Bay, they argued, broke the agreement several months ago, expanding their hours to 7 a. m. to 3 a. m. weekdays and Sundays and 7 a. m. to 4 a. m. on Saturdays.

May 2 Is Date For Pahokee Election

The annual city election in Pahokee will be held on Tuesday, May 2 and three councilmen will be elected. Terms of Hugo Boe, George H. Tucker, Jr., and Billy McKinstry will expire. Mr. McKinstry is serving out the unexpired term of Elmer B. Elliott who resigned and moved away from Pahokee.

The council chose the election board for the election. Named were Mrs. Blanche Armstrong, clerk; Mrs. Eula Tillis, Mrs. Estelle Saunders, Mrs. Marion Beach, inspectors; Mrs. Irene Hurt and Mrs. Carrie Unwin, alternates; L. I. Malloy, marshal.

Funeral Services In Sanford, J. C. Stapler

Funeral services were held Monday in Sanford for J. C. Stapler who was run over by a tractor Thursday and died later. He was a 43-year resident of Pahokee and farmed, raised cattle and sold sod during the years he lived in the Glades area.

He is survived by his widow, Ruth, Pahokee, three sons, J. E. Stapler of Sanford, Oliver Stapler of Pahokee, William Stapler, Fort Myers; two brothers Frank Stapler of Orlando, John Stapler, Tex., and a sister, Mrs. Caroline Gibson, Jacksonville; and six grandchildren.

Inauguration Ball By Elks Sat. Night

Harold Wilkinson, exalted ruler of BPOE No. 1638 in Pahokee, announces an Inaugural Ball for Saturday night of this week to mark entrance of new officers upon their duties for the coming year. They have already taken their offices and the Ball will be the first social affair of the new administration.

"We have secured an excellent orchestra," Mr. Wilkinson said. "It is the Joe Bonni group, widely known in this area for their splendid music," he said further.

It was pointed out that refreshments would be served by the club and that an admission of \$5.00 would be charged for the evening's entertainment.

James H. Wilkinson Pahokee PTA Pres

The Pahokee PTA met Monday 8 p. m. at the high school auditorium for their regular meeting of the month, with Bill Moss presiding. The Boy Scout Troop No. 628 opened the meeting with the Flag ceremony.

Mrs. Edna Maxson introduced the speaker, Walter Burkhardt of Lake Worth, a member of the Classroom Teachers Association. He spoke on the "Needs Of Our School Children." A remark from his talk, "this year the board had to employ over 1300 teachers, of this number 493 held sub-standard teachers certificates."

Chairman of the nominating committee presented the new slate of officers for the year 1961 and 1962 and they will be installed May 2 by Mrs. Janet Page, president of Palm Beach County Council.

New officers are: President, James Harry Wilkinson; 1st Vice President, Mrs. Joe T. Boynton; Second Vice President, Mrs. George Tucker; Third Vice President, Mrs. J. L. Tyson; Fourth Vice President, Mrs. Lee Wroten; Treasurer, Marvin Greedy; Historian (continued on page 8)

On Tuesday of this week at the Pahokee Lions Club meeting, a resolution endorsing construction and four laning of US441 through Pahokee was adopted after being read in full before the membership. Opposition has been expressed in the past few months by members of the Pahokee Garden Club to such four-laning and that group sent a copy of their objections to the State Road Department.

The resolution by the Lions notes that "one of the major problems of the City of Pahokee is the lack of improved thoroughfares designed to permit the orderly and unimpeded flow of traffic through the city" and that improving of existing thoroughfares would promote the continued growth and development of the city.

The resolution, copies of which are to be sent to the Pahokee City Council, the County Commission, the State Road Department Chairman and the SRD division engineer, calls attention to the fact that the Lions organization has been and will continue to be in favor of improvements which will contribute to the continued growth and progress of the City.

The Lions offer their support to the City of Pahokee in bringing about improvement of US441 through Pahokee. It is pointed out that this work should be done at the very earliest possible date and "along whatever route engineering surveys, cost analyses and other valid considerations shall prove the most feasible." This particular paragraph of the resolution leaves the way clear for the State Road Department to designate a route through Pahokee that might even be different from the present one on which a preliminary survey has already been made.

WPB Chamber Asks US27 Rebuilding

The West Palm Beach Chamber of Commerce this week, joined members of the County Commission in seeking immediate improvement of State Road 27 between Clewiston and Belle Glade.

Spokesman for the Chamber's merchants division was Leon Goldsmith, West Palm Beach merchant, who told the commission that bad condition of the road was driving business to Ft. Lauderdale.

Commissioner Paul Rardin, Canal Point, told the delegation that plans for a \$2.5 million appropriation in the State Road Department budget starting July 1st, had been promised for rebuilding the road between the Hendry County line and Bare Beach. Road department plans, Rardin said, also call for relocation of another eight mile stretch of the road later.

The commission voted to accept a merchants division resolution calling for road improvements, and to forward the resolution to the State Road Board.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The Palm Beach County Commission took steps this week to try and have this area named as a "recovery unit" under the U. S. Marine's defense program.

The board voted to join Congressman Paul Rogers in seeking the designation which is being sought by the U. S. Marine Reserve. As explained, the recovery unit is a base designated as an alternate in the event regular bases are destroyed by an enemy.

In other actions this week the commission:

Received a deed from the General Service Administration for Palm Beach International Airport and ordered the deed filed.

Received a \$1,000 down payment from the City of West Palm Beach for the county's old health building.

ing. Balance of the \$25,000 contract will be paid by the city during its next budget year.

Took steps to speed up a county request for title of submerged lands near Phil Foster park in an effort to salvage some 4,000 yards of fill offered by the U. S. Engineers.

Commended Commissioner Paul Rardin for his master of ceremony duties at a ground breaking ceremony Saturday for a new sugar mill in the Glades.

Adopted a resolution of sympathy in the death of two members of the Airforces' famed Thunderbird flying team which performed here recently.

Received bids for remodeling the west wing of the Palm Beach County jail.

Honor Husbands On Their Birthdays

Mrs. L. D. Echols and her sister-in-law, Mrs. Grady Echols honored their husbands on their birthdays with a dinner, Sunday in the new home of the L. D. Echols in Canal Point.

Out of town guests here for the occasion were: (their sister) Mr. and Mrs. D. H. Commack and daughter, Mrs. Sallie Davis of Ft. Myers and their brother, Mr. and Mrs. Ralph Echols of Naples. Also Mr. and Mrs. O. H. Sheppard and daughter Hazel of Canal Point.

Joint Birthdays Are Celebrated

Mr. and Mrs. John Padgett recently moved to West Palm Beach from Pahokee, returned last week end to attend the dedication services of the New Post Office. At the close of the services they were invited to his mother's home, Mrs. Charley Moran to join her in a joint birthday celebration of their birthdays. Cake and coffee were served to the following guests: Mr. and Mrs. Perry Dukes and children, Mrs. Adaline Stuckey and her son Linney Stuckey also Mayor and Mrs. Duncan Padgett.

Cancer Deaths Up In 12 Fla. Counties

Deaths from Cancer, in twelve counties on the East Coast of Florida, have increased from 3,443 in 1959 to 3,602 in 1960.

The information, released by the Florida Division of the American Cancer Society in Tampa, was compiled from the "Monthly Statistical Report," published by the Florida State Board of Health.

Although the report shows a total increase of 159 deaths during the past year, four of the twelve counties, Dade, St. Lucie, Volusia and St. Johns, were not as severely stricken in 1960 as in 1959.

However, six counties showed increases: Broward, up from 473 to 534; Palm Beach, up from 381 to 399; Martin, from 29 to 32; Indian River, 35 to 41; Brevard, 85 to 127 and Duval, up from 520 to 594. Two counties remained the same with Flagler recording 4 deaths each year and Nassau County standing at 15 fatalities.

"These are somber statistics," Fred O. Dickinson, Jr., 1961 State Cancer Crusade chairman said, "and emphasizes the urgent need

for all citizens and all volunteers to continue the fight against cancer. This can be accomplished by supporting and contributing generously to the April educational and fundraising campaign so that further work can be done in programs of public education, research and services.

"The total death rate from cancer for the entire State," Dickinson said, "was 7,719 for the year 1960 as against 7,219 in 1959—an increase of almost 7 percent in a one year period."

Paul C. Kirchman Funeral Services Held

Funeral services were held Monday at the St. Peters Lutheran church in Belle Glade for Paul C. Kirchman, 61, who died on Thursday night following a serious illness. Rev. Walter Schoech, pastor, was in charge of the services and burial was made in Hillcrest cemetery in West Palm Beach. Pallbearers were: A. B. Degraw, Walter Schlechter, Eddie Schoepel, Hubert Tillery, James A. Ball, Sr., G. W. Crews, Don Stein and Victor Riedel.

Woman's Club Bears Band Master Lampi

The Pahokee Woman's Club met Wednesday with Mrs. B. R. Mosley president, presiding over the business meeting.

Mrs. M. P. Stanley program chairman, introduced Band Master Robert O. Lampi of the Pahokee High School Band, and he gave a most interesting talk on education in music and the history of the Pahokee High School Band.

During the business session, Mrs. William Plummer delivered the envelopes to the club members for their house to house Cancer Drive. Mrs. Spooner gave a report of the treasure and complimented the ladies who had charge of the annual luncheon. Mrs. Bet Padgett, former member, now of West Palm Beach was a guest. Mrs. M. P. Stanley said that on the second Wednesday in May, the club will observe the Senior Citizen Day.

Mrs. Leavy Rodgers returned home Monday from the Everglades Memorial Hospital where she has been a patient for past week.

Here's what the new 3¾% interest rate on U.S. Savings Bonds means to you:

\$3 = \$4 *fourteen months faster than before*

The Bonds you own are better than ever, too

The new 3¾% rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra ¼% from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

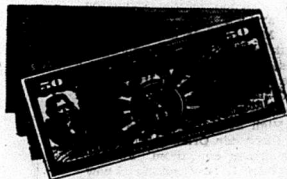

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

Miss Patricia Mims Weds James Orlando

Miss Patricia Louise Mims, daughter of Mr. and Mrs. Louis F. Mims of 430 Cypress Ave., Pahokee, became the bride of James Richard Orlando, son of Mrs. Judith Orlando of West Wellington, Chicago, Ill., in the Canal Point Methodist Church at 5 p. m. Saturday, April First.

Rev. Robert A. Shelley, pastor of the Church, performed the impressive double ring ceremony, at the altar which was effectively decorated with tall white standards of white glads and mums. It was lighted by white tapers in branched candelabra with traces of fern and palms forming the back ground. Ferns were used in the choir loft and family pews were marked with an arrangement of white mums showered with white satin.

A program of nuptial music was presented by Miss Alice Elane Hurt Pianist, and Mrs. Barbara Branch, vocalist.

The bride, was given in marriage by her father, was lovely in a gown of white silk organza. The fitted bodice had long tapered sleeves that buttoned at the wrist, a sabrina neckline and bouffant skirt. Her finger tip veil fell from a tiara of flowers fashioned of seed pearls and she carried a bouquet of white carnations centered with a white orchid.

Mrs. Leon R. Beebe, sister of the bride, matron of honor wore a street length dress of blue organza, with matching accessories and carried a bouquet of white carnations with yellow trim.

Miss Kay Hughes, Miss Jeanette Runte, Miss Jeanine Witt and Miss Jenny Bosselman served as bridesmaids. Their street length gowns were of blue organza over taffeta with matching accessories and carried bouquets of white carnations with yellow trim.

Leon R. Beebe, brother-in-law of the bride served as best man, and the ushers were: George J. Del Gross, David T. Katecki, Francis E. Newton, Maracas Sall and Jimmy K. Cowan, all serve in the Naval Jet Air Force Base Training Center near Sanford.

Mrs. Mims, mother of the bride, wore a blue linen dress with white

How many times has this man saved your life?

Like most of us, when the kids are in the car, you get that "extra careful" feeling. You know, that's the same way your friend—the service station dealer—feels when you stop by to see him.

Over the years, you've probably come to take your service station dealer pretty much for granted. But when your kids are riding with you, aren't you glad you took his advice and had your brakes checked? His suggestions—small though they may seem to be—may have saved your life more than once. His interest in your safety is more than interest in a customer—it's concern about a friend.

And what a valuable "extra" if your own service station gives you S&H Green Stamps.

You know, of course, that half the families in America save them.

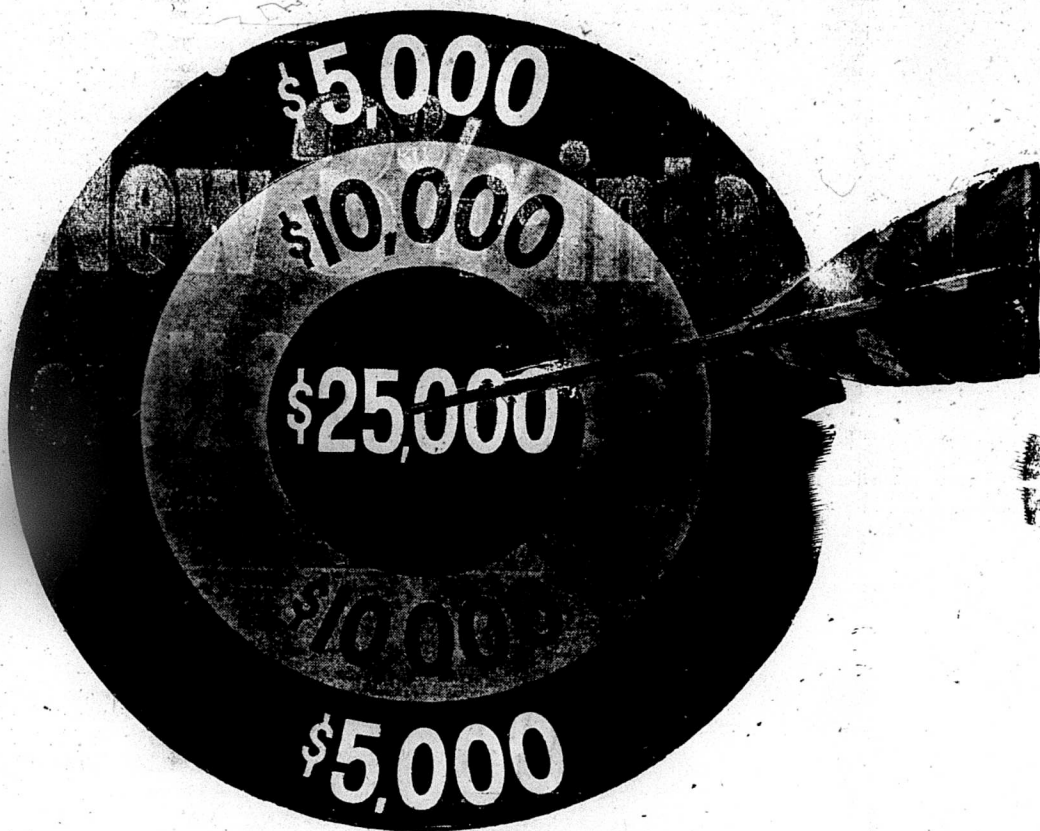

Your S&H Green Stamps make it possible for you to choose from over 1,500 top-quality, famous brand-name items at your S&H Green Stamp Redemption Store.

THE MAN WHO KNOWS YOU BEST... SERVES YOU BEST!

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But there's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You stretch your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Savings Bonds.

Because Savings Bonds earn good interest—2% compounded continuously when held to maturity—10 years for U.S. Savings Bonds—your money grows faster than you could expect to earn. And your Bonds will continue to pay you after you've retired or changed jobs. For example, if you save \$100 a month for 10 years, you'll have \$10,000 more than you originally paid.

And remember this. There's no government up charge about the Payroll Savings Plan. No checking up and over. Invest just \$100 a week for 6 years, you'll have Savings Bonds worth \$1,000 in cash. In 10 years, \$4,000.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—go straight to Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

The U. S. Government does not discriminate on the basis of race, sex, or religion in its programs and activities. The U. S. Savings Bonds are available to all citizens.

Christian Science Group Of Canal Point

The oneness and supremacy of God will be emphasized at Christian Science services this Sunday. "Doctrine of Atonement" is the subject of the Lesson-Sermon. The Golden Text is from the first chapter of II John: "He that abideth in the doctrine of Christ, he hath both the Father and the Son." The opening selection to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "Jesus taught but one God, one Spirit, who makes man in the image and likeness of Himself,—of Spirit, not of matter" (p. 94). From the Bible will be read this verse from Psalm 143: "Teach me to do thy will; for thou art my God; thy spirit is good; lead me into the land of uprightness."

Revival Continues Thrush Sunday Night

The Revival in the Canal Point Baptist Church will continue through Sunday Night. The Rev. Fulton Bryan of Lake Park is the Guest Evangelist and Charles O. Smith of Winter Haven is the Song Leader and Soloist. The youth choir meets at 3 p. m. for choir practice. Special arrangements are provided the three graded choirs. The Sunday schedule will be at the same hours as usual Sunday Services. Saturday Night Services will be at 8 p. m. as usual. The Methodist Church members in Canal Point will worship at the Baptist Church Sunday Night, the concluding night of the Baptist Revival Services.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds—they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.
